ABOUT ME

Professional, polite, experienced producer, shooter and editor. Wonderful with clients, respectful and confident, my goal is to bring amazing ideas to fruition.

SKILLS

WORK

Christie's Auction House, Bonnaroo Music Festival, Jones. Lang. Lasalle, Superfly, Fogtown,

Present
Feb.2019

Working closely with clients, company and crew to bring projects to fruition.

Clear goals, transparent plans and good communication help the process by keeping information available.

Skilled at Shooting, Audio, Editing, Scripting, Directing, helping clients through interviews, and exceptional creativity allow the space for positive productivity.

**Endgame Productions, Millennium, Sony Tri-Star
EPK Producer**

Responsibilities include capturing, editing & selecting behind-the-scenes material for marketing & release.

My patience serves me well coordinating and conducting actor/director interviews.

Feb.2007

Experience teaches how to balance the rhythm of production with the needs of clients and distribution.

EDUCATION

TULANE UNIVERSITY
B.A. Humanities. Dean's Honors

2002
1997

Studies in Photography, Education, Writing and Marketing continue to help the flow and successful outcome of each and every production.

The Berkshire School
High School Degree

1992
1990

My time at boarding school was excellent training. There were no excuses for not being on-time with your work done. Here I learned the importance of self-reliance, independence, accountability and pursuing the path of relevance, interest and longevity. Do all that you do well and with pride. Own it.
